Allergies: Children with specific food allergies will be offered alternative meals and snacks if menu items are not allowed in the child's diet. Please be sure that your child's allergy information is regularly updated using the "Allergy/Food Restriction" form and immediately notify Administration of changes.

Lunches from Home: If you prefer to provide your child with meals and snacks prepared from home, please refer to the "Meal Guidelines" as required by *Bright From the Start*.
Infant Bottles & Baby Food: Infants receiving bottles or baby food will be fed according to the Infant Feeding Plan you provide at enrollment. Please update your child's feeding plan regularly and immediately notify your child's teacher of changes.
